

Join the Eaton Rapid Health Alliance
for an educational session on

Bullying Prevention

featuring Michigan Bullying Expert
Nancy Buyle, MA, LLPC, NBCC, SW

April 17, 2018 | 4-5 pm

Eaton Rapids High School Auditorium (800 State St.)

Light refreshments provided

Registration preferred : <http://www.eatonresa.org/prodevelopment/>

Effective bullying prevention requires an approach that impacts the climate and culture of a school and community as a whole. Nancy will help educate our coalition about bullying and share a comprehensive systems approach to bullying that includes a positive school climate, clear limits and consequences, effective social and coping skills, and parent and community partnerships.
