Project Rising Tide was kicked-off in Eaton Rapids in April of 2018 and concluded this December. Created in 2015, Governor Rick Snyder and the Michigan Department of Talent and Economic Development (now Labor and Economic Opportunity, or LEO) introduced the Project Rising Tide program to equip communities with the tools they need to be successful, and vibrant. Ten communities, including Eaton Rapids, were chosen as Rising Tide communities based on a series of economic criteria. Heather Nugen (pictured left, 1st on the left) was hired as the Fellow for Eaton Rapids to implement the Project Rising Tide program.

Of her year in Eaton Rapids, Nugen had this to say, "I have been so impressed by Eatonian's commitment to supporting each other and their dedication to building a vibrant, beautiful and thriving City. I feel so fortunate to have been able to work with the community at this critical time."

Charlie's Corner

Hi! My name is Charlie, and I live at City Hall. Some of you may have met me before when you have come into the office to conduct business. If we have not yet met, stop in and say "Hi"!

Interesting Fact: Cats have an extra organ that allows them to taste scents on the air, which is why your cat stares at you with her mouth open from time to time.

Please be advised: the City of Eaton Rapids requires property owners to remove all snow and ice from their sidewalks by noon the day following a snow event. We also know that some residents have free standing basketball boards on the side of the road. These should be removed to allow for snow plow drivers to completely clear the streets of snow and ice. You can find out more about this City Ordinance and much more at https://library.municode.com/mi/eaton_rapids/codes/code_of_ordinances?nodeId=EARAC

Youth basketball practices will begin the week of January 6, 2020. If you have questions please contact Corey Cagle at 517-663-8118!

If you are interested in being a basketball referee, contact Corey Cagle for more information.

All games are held on Saturdays at Eaton Rapids Middle School.
